Dear UIP Members & Partners,

As President of the International Union of Phlebology, it is my great pleasure to invite you to the 2019 UIP Chapter Meeting in Krakow. Having visited this city for a congress in the past, I can certify that Krakow is a wonderful European city with a fascinating history dating back to the 10th century and earlier. A wide variety of easily-accessible and historically significant sites are in close proximity.

I can assure you of a meeting of the highest scientific quality, with equally exciting social functions. I look forward to seeing everyone there at this highly anticipated UIP Chapter Meeting. Please put it on your calendar and don't miss it.

Warm regards,
Nick Morrison, MD, FACS, FACPh, RPhS
